## O. S. Caesar Wins "Fruits of Labor" Golf Tournament

Men of Barrington Hills C. C. Compete for Great Variety of Prizes

O. S. Caesar was the low net winner in the annual Fruits of Labor golf tournament held at Barrington Hills Country club on Labor Day. Mr. Caesar's score was 75-9-66.

His choice of prizes was a wire haired terrier donated by S. P. White. Each person who participated in the tournament donated a prize and therefore everyone won a prize. The low net winner had first choice, the second low had second choice, etc.

Some of the other low net winners, their prizes and the donors, in order of their scores were as follows: J. W. Thompson, a leather duffel bag donated by V. P. Drelake; J. A. Wilson, a registered bull calf donated by Arthur Croxson; K. K. Knickerbocker, a thermos picnic outfit donated by C. J. Whipple; E. L. Read, a cord of hard wood donated by H. S. Hart; C. J. Whipple, a leather duffel bag donated by John Gardner; O. S. Caesar, an electric toaster donated by J. A. Caplan; E. P. Hettler, two white mallard ducks donated by R. W. Renahan; R. Hill-ton, a steel measuring tape donated by Orra Wold; S. B. White, a pig donated by R. H. Schultz.

In the junior half of the tournament H. H. Clines, who has won the Kentucky State Amateur championship twice, was low net winner with a score of 71.

Mr. Clines' score on the first nine of the Barrington Hills course was 32, four under par, but he failed to keep up the pace and shot the second nine in 39.

W. E. Webbe Jr. was second in the junior flight with a score of 76-6-71. Two pigs were left over after all prizes had been selected. Instead of just giving them away, two contests were arranged: one was net free as a prize for the person who caught him. Howard Hettler made the catch. The other was won by Bill Webbe in a driving contest. The pigs were left over because some members who donated prizes were unable to participate in the tournament.

## L. S. VanWinkle Is Taken Seriously Ill Wednesday Morning

L. S. VanWinkle, 501 S. Cook street, new member of the Barrington public school faculty, was taken seriously ill Wednesday morning when he suffered a spasmodic condition induced by hay-fever and asthma. Although suffering from the ailments, he had been present to help register pupils Tuesday but was unable to do so Wednesday.

A call was made at 11 o'clock Wednesday morning for the inhalator machine. It was supplied with oxygen for nearly an hour before a definite improvement was noticed. Mr. VanWinkle was placed under the care of a special nurse.

## Jewel Tea to Hold Open House Sept. 29 for Community

Jewel Tea Co., Inc. will hold open house for residents of Barrington and the community on September 29 from 1 to 4:30 p. m., according to an announcement made this week. The purpose of the event is to afford all local persons who have not done so an opportunity to inspect the plant and office.

According to C. N. Watkins, chief of publications, visitors will be divided into small groups and taken through the building to witness the operation, processing and packaging steps. At the conclusion of the tour, refreshments will be served in the cafeteria.

Leaves for East. Miss Dorothy Dotterer, 549 Division street, left Monday for a week at Lake Placid, N. Y., where she will attend the National Convention and Camp of College Outing clubs. Mrs. L. S. VanWinkle will go to Allegheny college, Meadville, Pa.

Baby Clinic Wednesday. There will be a baby clinic in the council rooms of the village hall Wednesday afternoon, Sept. 14, from 1 to 3 p. m.

## Everything in Readiness for The Review's Cooking School

Lock the doors and come to town!

The Review's motion picture cooking school entitled "Star in My Kitchen" will be the real community attraction for three days at the Catlow theatre starting September 22.

This fascinating and different cooking school is open entirely free to every woman in town, and the Review as well as Barrington merchants extend this invitation to join in the home-making lessons and Jolly entertainment for at least one day.

The motion picture cooking school will be a practical rally of home-makers to contribute fresh perspective for the "same old job," the monotonous day-in-and-day-out job, yet the most important business in the world. Just as men have their annual conventions, where they listen to lectures from specialists, local women will have their convention to consider home-making problems.

Just as fresh inspiration for the old job is one of the by-products of the familiar cooking school, which presents a lecturer in a model kitchen, so are new ideas

and keen incentive born in the film class for home-makers, with its novel approach and modern setting.

No "false-front" camera-beautiful kitchens satisfied these specialists. They insisted on working in complete, compact, modern kitchens, which actually reflect more scientific ingenuity and careful planning than any living room.

Recognizing the demands of home experts, the producers of "Star in My Kitchen" signed all-star kitchens, with an all-star cast, adding a continual procession of close-ups, so that every seat in Catlow theatre is a good seat for this amazingly-pictured home-making course.

Everyday happenings have been dramatized in the plot of "Star in My Kitchen." Behind the sparkling humor and suspense that are so necessary to screen stories was a deliberate plan—an ambitious determination to carry instruction, inspiration, and worthwhile home news to women in every community.

The camera took its time and it took its close-ups, so that every

## 40th Anniversary Celebration of Fire Department Friday

Henry T. Schroeder Will Be Unit's Guest of Honor at Steak Fry

Members of the Barrington volunteer fire department will celebrate its 40th anniversary at a steak fry in the camp grounds Friday night, according to Victor Rieke, department chief, who is directing the affair. Walter Ahrens, chairman, Kenneth Grebe and Orville Wente composed the committee making arrangements.

H. T. Schroeder, who is a charter member of the department and has served consecutively for 40 years, will be the guest of honor. Walter Seavers, department secretary, and Sam Landwehr will prepare a short historical resume of the department since its inception in 1898.

The volunteer fire department, it was learned, was first organized when the water system was installed by the village 40 years ago. At that time the unit was under the sponsorship of the village but was an independent organization.

In addition to celebrating its anniversary, the department is making plans for an amateur night show to be held at the public school auditorium November 4 and 5. Chief Rieke has not as yet appointed committees for the program. The amateur night will consist of local talent which has successfully passed previous try-outs. Prizes will be awarded winners. It was learned.

A series of meetings are now being conducted by representatives of the department and the Barrington Countrywide association fire committee headed by Paul W. Prior for the purpose of improving the service in the rural area. One plan for improvement is being considered which would permit telephone operators to sound the fire alarm without having to ask permission from an official of the fire department. Having to obtain permission first is required at present by the village in order to prevent the use of the Municipal League convention to be held at Rockford starting Tuesday.

Will Attend Convention. A. L. Wiedenbeck, village treasurer, will attend the three-day sessions of the Municipal League convention to be held at Rockford starting Tuesday.

## Plenty of Jobs Are Available for Girls

The demand for girls and women to do housework, cleaning, etc., is brisk in this community at the present time. Fire help wanted advertisements asking for women, girls or couples, appear in the Review, while ad columns this week. Last week seven appeared, whereas only one or two situations wanted ad appear each week. This is a direct result of the employment condition which prevailed a year ago.

## Will He Repeat?

"Will William Tonne (shown above) win the hoop contest as he did last year?"

"Will Mrs. John Grebe repeat her cloth ripping triumph of last year?" and "Will Larry Frank and Herbert Pohlman remain the egg-throwing champions?" were among the questions asked the program for the 13th annual Lake Zurich day picnic at Opatry's Grove in Fox River.

Great under way this morning with horseshoe pitching contests, and softball games between the country and town boys, single girls and married women, and single men and married men.

Following a picnic lunch from boys and girls under six years of age, up through the adult class were underway. In addition to the athletic contests, the games committee, composed of John Pink as chairman, J. L. Clements and Albert Kunde, arranged a number of interesting puzzles. A concert by the Elia township high school band was given shortly after lunch.

The picnic was concluded this evening with dancing.

Following is the list of other committees arranging the program:

Arthur Anderson, general chairman; program, J. L. Clements, ch.; and Miss Marie Lohman; music, Melvin Elde, ch.; William Luerssen and Otto Gleske; Eugene Frank, ch.; August Kalger and Harold Gleske; Rev. B. Freese, ch.; Lee Smith, ch.; H. Rudinski and Wilbur Buddemeier; advertising, C. H. Rudinski, ch.; and Walter Prahm; ice cream, Russell Setainger, ch.; Bert Harris, Stanley Davis, Ray Nightingale and Joseph Schweda.

Girls' baseball, Miss Marie Lohman and Miss Katherine Jayne; baseball, country boys, George Meyer, city boys, Arthur Leuthner and Dale Blas; baseball, single men, Harold Gleske, married men, Earl Lohman; ampie for all games, H. L. Wanner; horseshoe, John Gehrke, ch.; and James Weber; tickets, William Buhr.

## Will Ask County Aid to Have Road Fixed

Village trustees and local political leaders will meet with County Commissioner William Busse at Mt. Prospect Monday night to discuss the possibility of improving Dundee avenue south of Hillside avenue. Conditions of that road were discussed at a meeting held by the trustees Tuesday night and it was decided to ask for county aid.

A macadam surface road would be desirable instead of the present stretch of gravel from Hillside to route 53, trustees felt. The road is a county-aid road, although in the village limits, and it is hoped that some program can be worked out at the meeting with Mr. Busse to have it improved.

## Love Scene From "Star in My Kitchen"

Of course, a real dramatic story like "Star in My Kitchen." The Review's cooking school picture, would not be complete without romance, and every woman will thrill to love scenes like this one between Mike Anders and Dedeo Abot. The film is to appear at the Catlow theatre September 22, 23, 24.

## Enrollments Reach New Record Totals At School Opening

Increase Noted By All Heads of Barrington and Lake Zurich Schools

Enrollment figures for schools in this area reached new highs in all cases, in many instances showing an increase where a drop had been anticipated. The total at the Barrington public high school, consisting now of 10th, 11th and 12th grades, is 210 and a number of additional pupils are expected to swell that total.

Due to the change of departments this year, with the 9th grade, or freshman class, grouped with the junior high-school and the sixth grade placed down to the intermediate department, comparisons of increases cannot be made. E. S. Smith, superintendent of Barrington public schools, pointed out.

The senior class at B.H.S. has 56 members, the junior class 78 and the sophomore group 76. T. C. Hosford, principal of the high school, reported.

In junior high school the total registrations compiled by Willard Watson, principal of the high school, amounted to 171. The sixth grade has 43 pupils, eighth grade 46 and seventh grade 42. For the primary and intermediate grades the registration amounted to 385 pupils, or a grand total of 765 for all grades in the grammar and high schools. The figure exceeds the 1937 grand total by 43.

A large increase was found in kindergarten where 41 children started school.

Following is the enrollment by grades: first, 47; second, 54; third, 62; fourth, 61; fifth, 54; sixth, 62. J. L. Clements, principal of the Barrington high school, reported the greatest enrollment in history as that school started in its 11th year of service last week. The total is 184 and contains the largest freshman class ever registered, 46 members. The enrollment in 1937 was 121.

The sophomores at Elia number 34, the juniors 22 and seniors 32. Sister Mary Dulcetta, principal of St. Anne parochial school in Barrington, also reported an increase, 58 pupils registering for the fall term Wednesday. In 1937 the number was 51. Sister Dulcetta stated there were a number of other pupils registered but they had not appeared when the first figures were taken.

## Our Cushions Burned

The rear seat cushion and upholstery were damaged when a fire of undetermined origin was started in the car owned by Everett Erickson of Rogers Park and parked on West Main street Sunday night. Mr. Erickson and his party had gone to the movie and had locked the car. When the fire started, Erickson answered the alarm. It was necessary to break a window to extinguish the fire. Damage was slight.

## Townsend Club Meeting

A regular meeting of members of Townsend club No. 1 will be held at Catlow's hall on West Station street Friday evening, Sept. 9 at 8 p. m. Everyone is cordially invited to attend, according to those in charge of arrangements.

## Woman's Club to Grant Loans to 3 College Students

Announcement that three Barrington young people will receive scholarship aid for college from the Barrington Woman's club this season came simultaneously with the selection of the appointment of a scholarship loan committee, headed by Mrs. Harold Grebe who has served as chairman for the past few years.

Her committee will be as follows: Mrs. W. D. Dotterer, Mrs. Elden Gleske, Mrs. R. W. Muir, Mrs. Everett Sproul, Mrs. Clayton Watkins, Mrs. Daniel Woodhead, Mrs. L. T. York and Mrs. Orin Wold.

A meeting of the group will be held at Mrs. Grebe's home in the near future. Plans will be made then for the annual scholarship loan party sponsored by the club. The date of the party will be announced later.

## Please Tell Directory Workers of Address Change, Is Request

With work nearing completion on the Lions directory, R. E. Willmering, chairman, has requested persons who have changed addresses since the census was taken in April to notify Dr. E. A. Kleinwachter to that effect.

He also requested those persons who were not contacted at the census-taking time to get in touch with Dr. Kleinwachter in order that their names may appear in the booklet.

Statistical material and advertising are being rapidly brought up to date and will soon be turned over to the Barrington Publishing Co. for printing. Mr. Willmering said. In order to expedite the work and prevent any omissions or errors, he has made the above request.

## Mrs. E. T. Schutt to Discuss "Roses" for Garden Club

The Village Garden Club of Barrington will hold its first meeting of the fall season at the home of Mrs. E. A. Beerman, 303 Grove avenue, Monday, Sept. 12 at 2 p. m. Mrs. E. T. Schutt will speak on the subject of "Roses." The roll call will be answered with scraps of books, made by members during the summer. Each will contain a record of flowers which bloomed in the owner's garden.

## Valuable Prizes Will Be Awarded at Cooking School Sept. 22-23-24

Many valuable gifts, including several special grand prizes, will be awarded to guests of The Review and cooperating merchants at "Star in My Kitchen" motion picture cooking school to be shown at the Catlow theatre on the afternoons of September 22 to 24 inclusive.

A toast and jam hospitality set, valued at \$18.49, with tray, colored pottery dishes and two-lice automatic toaster, will be given to the winner. The Review as a grand prize will be awarded with scraps of other grand prize. Several other items of merchandise including packages of groceries, a gasoline fill-up, hardware items, etc., will be awarded at the movie.

## Many Students Are Enrolled for Fall Terms at Colleges

At Least 44 Local Boys and Girls to Start Terms This Fall

At least 44 young men and women from Barrington have enrolled in universities and colleges in many parts of the country, and some have already left for the opening of fall classes while others will leave within the next several weeks.

The number reported as attending a higher branch of learning this year is the same as in 1937 when 44 local persons also were registered. An increase in the list is expected soon, however, when several more make a definite decision on their college or university.

Some others are contemplating night courses at branch colleges in Chicago and business schools.

Following is the list of students leaving this fall and the schools in which they were enrolled, as far as could be ascertained:

Carl Billings, University of Illinois, Chicago.  
Harold Plagge, Drake university, Des Moines, Ia.  
Glen Hager, DePaul university, Greencastle, Ind.

Alfred Castle, Massachusetts Institute of Technology, Cambridge, Mass.

Betty Plagge, Nursing school, Hennrich hospital, Chicago.  
Margaret Jane McLeister, McMurray college, Jacksonville, Ill.

Howard Castle, DePaul university, Greencastle, Ind.  
Dorothy Dotterer, Allegheny college, Meadville, Pa.

Clifford Landwehr, University of Illinois, Urbana.

## Jewish Youth Group to Meet on Sunday

The Northern Illinois Jewish youth organization will hold its first meeting of the fall season at Rockford, Sunday, Sept. 11. Bernard Lipovsky of Barrington, president, will preside.

## Approval Given For Traffic Lights at Hwy. and Hough

Receive Notice From State; Begin Preliminaries on \$3500 Project

The Illinois division of highways has approved an application for a permit to install traffic lights at the intersection of Hough street and Northwest highway. A. C. Burandt, village clerk, reported to village trustees at a meeting held Tuesday night. Following his report, a motion was made and approved, ordering the village engineers to prepare specifications and plans for the improvement.

As soon as the engineers have completed the above mentioned items, the clerk will call for bids for the work. It is possible that the project can be completed this year.

The village board also passed a resolution asking that the state department allocate \$1500 to cover the cost of the work, which is expected to be less than the Main and Hough street job due to the fact there is less tunneling work necessary.

According to the letter received by Mr. Burandt from Ernest Lieberman, chief engineer of the division of highways, the state department favors installation of traffic control signals the same as used at Main and Hough.

The village board applied for permit about a month ago after Chief of Police E. W. Baude and his department had contacted a traffic control at the intersection for several days.

The information received Tuesday night is a forward step in the lengthy campaign conducted by the present village board and previous trustees to have the Hough street and Northwest highway crossing protected with signals.

## Publish Assessment List; Deadline for Objections Sept. 15

The personal property assessment roll and real estate changes for the town of Cuba for the year 1938 are published in this issue of The Review. Any objections to the assessments in Cuba township will be heard by the board of review on September 15. It was announced this week.

Objections to valuations fixed by assessors in 13 other towns have been heard by the board already. Cuba and Waukegan, Deerfield, Sheldale, and Libertyville are the five remaining towns.

## Libertyville Firm Gets Paving Award

The Illinois highway division Saturday announced the award of a \$146,563 contract to the Eric Boren construction Co. of Libertyville for paving 1.75 miles on the Cook-Lake county line road toward Lake Zurich on U.S. route 12.

The award completes the paving contract work with the exception of the grade separation unit. Work has already been started on the strip by the other two successful bidders, J. D. Laine Company of Springfield and the Central West Construction company.

## Tax Collector Will Open Office Monday

Owners of real estate in Barrington township will be able to pay their second installment taxes at the First National Bank next Monday or any following day until September 24. B. A. Schroeder, deputy collector has announced. Mrs. Pearl P. Adams, collector, and Mr. Schroeder will conduct an office there during banking hours each day.

Persons who have failed to pay their first installment taxes or personal property taxes can make payment now with accrued penalties.

To Address Rally. H. D. Kelsey, republican candidate for state representative in this district and supervisor of the town of Cuba, will address a rally sponsored by the McNeff county republican central committee at Crystal Lake Sunday afternoon.

He also will be a rally speaker at a district meeting at Lake Villa Saturday.

Granted Patent. Kenneth C. Allison of Arlington Heights has been granted a patent for an electric switch.
