

LGBTQ+ Resources In and Around Barrington

Social & Advocacy Groups

The BHS Gay Straight Alliance is promoting the hashtag **#PaintOurNeighborhoods** to encourage everyone to show a visible sign of support for the LGBT community. Or in other words, paint with pride! If anyone would like to take a picture of their support and use the hashtag that would show such support for our GSA kids. Students can find more information on the GSA through the BHS website.

Harper College and College of Lake County both have Pride & Ally groups. Click here for [CLC's Pride Alliance](#). At Harper College, contact the advisor, [Elke Weinenbrenner](#).
